AND

25% is used to pay for the administrative costs of the scrip program first (keeping it a self-supporting program) any excess in this account will be transferred to the Tuition Assistance account when the other transfers are made.

PK-7<sup>th</sup> grade families will have their accumulated credit applied to their next year's tuition account. Families with only an 8<sup>th</sup> student will have their credit applied to their account in April. Their auto withdrawal payment will be adjusted. Excess credit remaining will default to the Tuition Assistance program. In the case of a future student, the credit accumulates and is applied to the student's account their first year at Morning Star.

Rebate accumulation will end on March 31<sup>st</sup> of each year. A minimum of \$10 net profit must be generated for a distribution to be made to a specific student's account. There is no maximum amount.

Rebates must first be applied to any outstanding balance on a Morning Star student account.

Scrip purchases must be paid for at the time of ordering.

Scrip cards and certificates are the same as cash and should be handled accordingly. Morning Star Lutheran School will not be responsible for cards that are lost, stolen or misplaced after they are picked up from the school.
